Proposal for a

COUNCIL REGULATION

on scrutiny by Member States of transactions forming part of the system of financing by the European Agricultural Guarantee Fund

(Codified version)

(presented by the Commission)

EN EN

EXPLANATORY MEMORANDUM

1. In the context of a people's Europe, the Commission attaches great importance to simplifying and clarifying Community law so as to make it clearer and more accessible to the ordinary citizen, thus giving him new opportunities and the chance to make use of the specific rights it gives him.

This aim cannot be achieved so long as numerous provisions that have been amended several times, often quite substantially, remain scattered, so that they must be sought partly in the original instrument and partly in later amending ones. Considerable research work, comparing many different instruments, is thus needed to identify the current rules.

For this reason a codification of rules that have frequently been amended is also essential if Community law is to be clear and transparent.

- 2. On 1 April 1987 the Commission therefore decided¹ to instruct its staff that all legislative acts should be <u>codified</u> after <u>no more</u> than ten amendments, stressing that this is a minimum requirement and that departments should endeavour to codify at even shorter intervals the texts for which they are responsible, to ensure that the Community rules are clear and readily understandable.
- 3. The Conclusions of the Presidency of the Edinburgh European Council (December 1992) confirmed this², stressing the importance of <u>codification</u> as it offers certainty as to the law applicable to a given matter at a given time.

Codification must be undertaken in full compliance with the normal Community legislative procedure.

Given that no changes of substance may be made to the instruments affected by <u>codification</u>, the European Parliament, the Council and the Commission have agreed, by an interinstitutional agreement dated 20 December 1994, that an accelerated procedure may be used for the fast-track adoption of codification instruments.

4. The purpose of this proposal is to undertake a codification of Council Regulation (EEC) No 4045/89 of 21 December 1989 on scrutiny by Member States of transactions forming part of the system of financing by the Guarantee Section of the European Agricultural Guidance and Guarantee Fund and repealing Directive 77/435/EEC³. The new Regulation will supersede the various acts incorporated in it⁴; this proposal fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.

See Annex I to this proposal.

See Annex 3 to Part A of the Conclusions.

Carried out pursuant to the Communication from the Commission to the European Parliament and the Council – Codification of the Acquis communautaire, COM(2001) 645 final.

5. The <u>codification</u> proposal was drawn up on the basis of a <u>preliminary consolidation</u>, in all official languages, of Regulation (EEC) No 4045/89 and the instruments amending it, carried out by the Office for Official Publications of the European Communities, by means of <u>a data-processing system</u>. Where the Articles have been given new numbers, the correlation between the old and the new numbers is shown in a table contained in Annex II to the codified Regulation.

Proposal for a

COUNCIL REGULATION

on scrutiny by Member States of transactions forming part of the system of financing by the European Agricultural Guarantee Fund

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article \boxtimes 37 \boxtimes thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament¹,

Whereas:

(1) Council Regulation (EEC) No 4045/89 of 21 December 1989 on scrutiny by Member States of transactions forming part of the system of financing by the Guarantee Section of the European Agricultural Guidance and Guarantee Fund and repealing Directive 77/435/EEC² has been substantially amended several times³. In the interests of clarity and rationality the said Regulation should be codified.

See Annex I.

¹ OJ C ⊠ [...] ⊠.

OJ L 388, 30.12.1989, p. 18. Regulation as last amended by Regulation (EC) No 2154/2002 (OJ L 328, 5.12.2002, p. 4).

↓ 4045/89 recital 1 (adapted)

Under Article № 9 ☒ of Council Regulation (EC) No ☒ 1290/2005 of 21 June 2005 ☒ on the financing of the common agricultural policy⁴, the Member States are to take the measures necessary to ☒ ensure effective protection of the financial interests of the Community, and particularly in order to check the genuineness and compliance of operations ☒ financed by the European Agricultural Guarantee Fund (EAGF) ☒ and by the European Agricultural Fund for Rural Development (EAFRD) ☒, to prevent and ☒ pursue ☒ irregularities and to recover sums lost as a result of irregularities or negligence.

↓ 4045/89 recital 2 (adapted)

(3) Scrutiny of the commercial documents of undertakings ☒ receiving ☒ or making payments can be a very effective means of surveillance of transactions forming part of the system of financing by the EAGF. This scrutiny supplements other inspections already carried out by the Member States. Furthermore, national provisions relating to scrutiny which are more extensive than those provided for in ☒ this ☒ Regulation are not affected by ☒ it ☒.

↓ 4045/89 recital 5

(4) The documents used as a basis for such scrutiny should be determined in such a way as to enable a full scrutiny to be carried out.

↓ 4045/89 recital 6 (adapted)

(5) The undertakings to be scrutinised ⋈ should ⋈ be selected on the basis of the nature of the transactions carried out on their responsibility and the breakdown of the undertakings receiving or making payments according to their financial importance in the system of financing by the EAGF.

♦ 4045/89 recital 7 (adapted)

(6) Furthermore, it is necessary to provide for a minimum number of inspections of commercial documents. This number ⋈ should ⋈ be determined by a method which precludes substantial differences between the Member States by virtue of differences in the structure of their expenditure under the EAGF. This method may be established by referring to the number of undertakings of a certain ⋈ financial ⋈ importance in the system of financing by the EAGF.

⁴ OJ L ≥ 209, 11.8.2005, p. 1. Regulation as amended by Regulation (EC) No 320/2006 (OJ L 58, 28.2.2006, p. 42) ≤ .

↓ 4045/89 recital 8

(7) The powers of the officials responsible for scrutiny and the obligations on undertakings to make commercial documents available to such officials for a specified period and to supply such information as may be requested by them should be defined. It should also be stipulated that commercial documents may be seized in certain cases.

↓ 4045/89 recital 9 (adapted)

(8) It is necessary to organise cooperation among the Member States on account of the international structure of agricultural trade and with a view to the ☒ functioning ☒ of the internal market. It is also necessary for a centralised documentation system concerning undertakings receiving or making payments established in third countries to be set up at Community level.

4 4045/89 recital 10

(9) While it is the responsibility of the Member States in the first instance to adopt their scrutiny programmes, it is necessary that these programmes be communicated to the Commission so that it can assume its supervisory and coordinating role and to ensure that the programmes are adopted on the basis of appropriate criteria. Scrutiny can thus be concentrated on sectors or undertakings where the risk of fraud is high.

♦ 4045/89 recital 11 (adapted)

(10) The departments carrying out scrutiny pursuant to this Regulation ⋈ should ⋈ be organised independently of the departments carrying out scrutiny prior to payment.

↓ 4045/89 recital 12

(11) It is essential that each Member State have a special department responsible for monitoring the application of this Regulation and for coordinating the scrutiny carried out in accordance with this Regulation. The officials belonging to that department may make inspections of undertakings in accordance with this Regulation.

♦ 4045/89 recital 15

(12) Information collected during the scrutiny of commercial documents must be protected by professional secrecy.

↓ 4045/89 recital 16

(13) Arrangements should be made for an exchange of information at Community level so that the results of the application of this Regulation can be used to greater effect,
