COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 8.9.2009  
COM(2009) 460 final

Proposal for a

**COUNCIL DECISION**

**regarding the position to be taken by the Community within  
the International Jute Study Group Council on extension of the Agreement establishing  
the Terms of Reference of the International Jute Study Group, 2001**

## **EXPLANATORY MEMORANDUM**

The International Agreement establishing the Terms of Reference of the International Jute Study Group, 2001 was accepted by the European Community by Council Decision 2002/312/EC of 15 April 2002. The Agreement entered into force on 27 April 2002 for a period of eight years and is due to expire on 26 April 2010, unless extended.

At the meeting of the International Jute Study Group Council held in Dhaka on 5 and 6 April 2009, members unanimously reached a preliminary agreement on extension of the tenure of the International Jute Study Group for an initial period of two years, in accordance with Rule 25(b), subject, however, to formal approval by their national authorities. This extension would allow sufficient time for members to assess the Group and eventually decide whether to negotiate a successor agreement, thanks to a further extension of two years.

The European Community's participation in this Agreement is in accordance with its exclusive powers.

The proposed decision in no way changes the European Community's contribution to the administrative budget of the International Jute Study Group, which remains due for every financial year.

The purpose of this proposal is to authorise the European Community to vote in favour of extending the Agreement.

In the light of the foregoing, the Commission asks the Council to adopt the attached decision.
